Subject: Brownsfield grant you took over from Dan Miller
[tmponghon_2332.pdf](#)

Lynn,

So sorry I did not sent this to you last week right after I talked to you. I was distracted by something else and something else...

Attached is the report I was able to generate that including all payments to GeoEngineer that project 8308 paid for.

Hope this help with the progress report you have to do.

Let me know if you anything else.

Ong
